

Welcome to the Privit Profile for the Niagara IceDogs,

Your player is required to receive a mandatory medical examination prior to the beginning of the season by your family physician or doctor. As a parent/guardian please take 20 minutes to register an account online to complete all your player's health and insurance information prior to the examination. Once you have completed your player's health information, Step 10 will ask you to print off the required documents for their medical examination. The OHL Medical and Clearance form must be signed by a doctor/physician and submitted to the team prior to training camp. It is recommended that you complete everything from a PC or tablet device.

(These registration instructions are ONLY for players who are under the age of 18 and require a Parent/Guardian to register their information. Players must have the OHL Medical and Clearance Form signed and submitted to the team no later than August 12th, 2019)
